📍 WEST SUMBA, EAST NUSA TENGGARA

1. **Village Name** : Pattialabawa  
**Sub District** : Lamboya  
**District** : West Sumba

2. **Village Name** : Weihura  
**Sub District** : Wanukaka  
**District** : West Sumba

There are many villages in West Sumba, among which Patialabawa Village and Weihura Village are very good for recreation purposes. Other than the beautiful beach, both villages are also known for their traditional houses called Rumah Adat Yaruwora. Unfortunately, these villages lack facilities and management.

The majority of the population is a low-income fisherman or farmer. Almost every house farms pigs in their yard. Post-pandemic, the farmer experienced life difficulties due to the expensive prices of fertilizers and fodder.

The good news is that the local government is committed to bringing improvement for the people. For that reason, establish cooperation for community development in the future.
