

Partnerships

HKUST Connect is dedicated to mobilizing the entire campus to embrace community engagement as a way of learning, living, and being. In that sense, we are committed not only to providing assistance or performing service but also to building authentic and lasting relationships with our community partners. We would like to express our gratitude to the following organizations for collaborating with us and our students on various community projects over the past three years, especially during the challenging times brought about by the COVID-19 pandemic.
